Dear Mr. Chamness:

In reflecting upon 2012, I find myself overwhelmed by Chamness Technology's generous support of Iowa Recycling Association, and I would like to extend our sincerest gratitude for all that you do for the Association. Your many years of membership as a Lifetime Member is much appreciated.

Words cannot express our gratefulness for your ongoing generosity through your monetary support and sponsorships, staff involvement in board meetings and events, and your willingness to serve the Association in any capacity deemed necessary to propel the Association forward.

I would also like to commend you for your increased presence and continued efforts with organics recycling--a high priority in Iowa. With approximately 46% of the waste landfilled in the state being organic, you provide a valuable service to Iowa's environment and economy.

Sincerely,
